

Briggs Attorneys Ranked by Benchmark Litigation

December 21, 2018

MINNEAPOLIS, MINN. – Seven Briggs attorneys have received rankings from *Benchmark Litigation*. The publication exclusively covers the litigation and disputes market in North America, covering the US, Canada and Mexico.

The list of “local litigation stars” for each state reflects only those individuals who were recommended consistently as reputable and effective litigators by clients and peers. The list of “future stars” in each state reflects those partners who were consistently referenced by peers and clients as litigators who are likely to become “local litigation stars” in coming editions of the guide.

Briggs attorneys ranked by Benchmark Litigation:
