

Michael Gordon Named 2019 BTI Client Service All-Star

April 8, 2019

MINNEAPOLIS, MINN. – Briggs shareholder Michael D. Gordon has been named a 2019 BTI Client Service All-Star by *BTI Consulting Group*. He was nominated by a fortune 500 investment bank, and is among an exclusive group of only 335 attorneys selected nationwide for delivering incomparable levels of client service.

Gordon serves as the firm's Finance & Restructuring section leader and is a former member of the firm's Board of Directors. He practices principally in the areas of asset-based lending, syndicated credit facilities, traditional commercial lending, commercial real estate lending, defaulted loans and workouts, creditors' rights and remedies and Uniform Commercial Code (UCC) law.

"Our team is focused on engaging with clients to understand how we can help them with all aspects of their business and add value beyond just doing excellent legal work that is on time and on budget. It's a great honor to have those efforts recognized," said Gordon.

BTI Client Service All-Stars are singled out by Corporate counsel—by name and in an unprompted manner—as lawyers who have an unmatched understanding of their client's business, deliver an exceptional client experience, are innovative thought leaders, possess excellent legal skills and maintain a superior client focus. The 2019 All-Stars survey is based on interviews with more than 350 in-house counsel from corporations averaging nearly \$22 billion in annual revenue and representing 15 industry sectors. No attorney or firm can self-nominate, self-refer, nor pay to be included on the list.
