

Phil Schenkenberg and Cyrus Malek Discuss Cyber Due Diligence

November 1, 2016

Briggs and Morgan attorneys Phil Schenkenberg and Cyrus Malek recently authored a blog post entitled, "Cyber Due Diligence Should be a Key Component of a Corporate Acquisition," published by Cyber Security Business. The post addresses the effect a data breach can have on the future acquisition of a company and the importance of consulting a cyber lawyer when evaluating the acquisition or sale of a business.

The full post can be read [here](#).
